

LIFE'S YOUR

'LOBSTER'

GO GET IT...

Introducing Brancaster Brewery's craft ale 'Lucky Lobster'.

A refreshing 4.2% Pale Ale packed with ripe citrus fruit, big bold aromas with a crisp hoppy finish.

It is made using Norfolk Maris Otter Malted Barley along with Challenger and Amarillo hops then dry hopped with some more Amarillo for extra punch.

'The Lucky Lobster is up for everything, rolling the dice, taking on the world with a plucky carefree attitude and always coming out on top'... the inspiration behind creating this beer.
