

OYSTER CATCHER

GOLDEN BITTER

Oystercatcher takes its name from a local bird also known in the area as **Sea Pie**. This bottle conditioned ale is brewed using Teddy Maufe's **world class** malted **Maris Otter** barley from Branthill Farm, Wells-next-the-Sea.

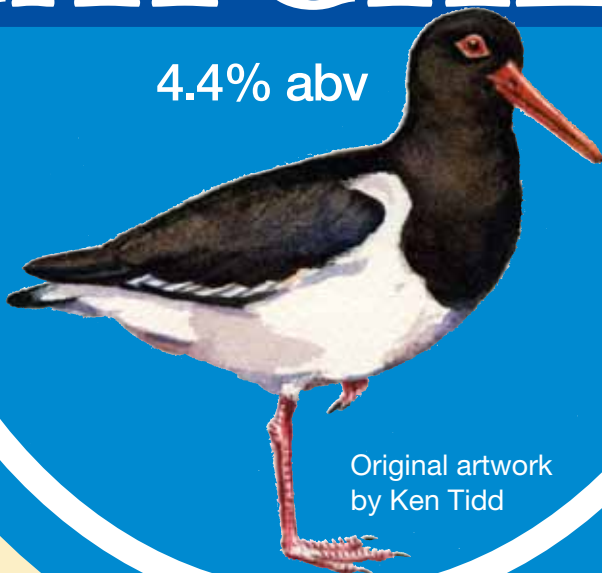

Oystercatcher is a sunshine **golden bitter**, refreshing and moreish. Original artwork by local artist **Ken Tidd**.

Best served cool, not chilled, carefully decanted into a clean glass, leaving the natural yeast sediment in the bottle.
